

Natural

The word "Natural" is rendered in a dark green, serif typeface. It is artistically embellished with organic, light-green elements. A thin, curved vine-like line starts near the top of the letter 'a', arches over the 't' and 'u', and ends near the top of the final 'l'. Four stylized leaves are placed along this path: one on the left side of the 'N', one on the left side of the 'a', one on the vine above the 't', and one on the right side of the 'a'.
